The Traveling Public.

There can be no doubt but that the hotel accom modations in Wilmington are inadequate to the wants of the traveling community, and this inadequacy grows more apparent every day, and has been pressed upon our attention repeatedly by travelers. The increase of the place-the increase of travel, require some additional effort to be made. The night before last, many were unable to find any place to sleep. Several sat up all night, and some, one lady and gentleman certainly, had to take refuge in the Charleston steamer. This is not an isolated instance: by districts and not by the State convention. similar cases, although not, perhaps, quite so bad, have been of quite frequent occurrence recently .- | the 4th, with Liverpool dates to the 21st.
